### Information for ALL MBBC Sailing participants

Safety and seaworthiness are inherent in the objects of the MBBC. Attention is drawn to the requirements of Maritime Safety Queensland (MSQ) under the auspices of the *Transport Operations (Maritime Safety) Act* and associated Regulation. All participating boats are obliged to comply with those requirements at all times. Maritime Safety Queensland resolves this down to a simple statement.

*All owners and operators, masters and crew members must ensure the ship is:*

- *safe;*
- *properly equipped and crewed;*
- *operated in a safe manner.*

[*Note: Under regulation "ship" and "boat" are synonymous.*]

Participants need to be aware that sailing is considered by authorities to be a dangerous sporting activity and the safety of regular crew and guests must be considered based on the type of boat, weather conditions and the participant's capabilities.
